Notification Regarding the Start of PCR Testing Service for the Novel Coronavirus (SARS-CoV-2)

Dear customers

We would like to thank you for your continued support for us at all times. Regarding the PCR testing for the novel coronavirus (SARS-CoV-2), we are pleased to inform you that we have started accepting contract services for research testing. This test is for detecting SARS-CoV-2 as the purpose for evaluating the effects of approved drugs or in-vitro diagnostic drugs described in the "Pathogen Detection Manual 2019-nCoV" prepared by the National Institute of Infectious Diseases.

Sincerely your,
